### Best bits of this week (as chosen by the editors)

This week we've been on TWO trips! To The British Museum and the CLC. The British Museum was great fun. We went to the Parthenon Gallery and used iPads for quizzes and different challenges. We saw lots of marble sculptures. In the Greek galleries we saw a huge pot and a helmet from the Persian War. There was an arrow mark in the metal. It was made out of bronze. We also saw Ancient Greek money. At the CLC, we learned how to do 'journey' on Purple Mash. You decorate your own background and you can make it on the sea.

### Year 2 reminders and requests

**Dance Performance** - Year 2 have been working with a professional dancer from The Place every Thursday to create a dance around our topic. They'd love the opportunity to informally perform this very short dance piece for you on Thursday 10<sup>th</sup> December at 11am.

**Subtraction** - Please support your children with counting forwards (but especially backwards) in 10s from any number up to 100 and beyond! Children who are fluent at this have been much more comfortable in their subtraction learning! E.g 83, 73, 63, 53 etc.

**Writing Conferencing** - What a treat I had on Wednesday! Spending the day talking to all of Year 2 individually about their independent writing and how they can improve! It really helps them to remember their own Next Steps (N.S) to improve so quiz them at home and see if they have learnt them! ☺  
 Have a lovely weekend!

### Important dates coming up in the week of 30<sup>th</sup> November

Monday	Tuesday	Wednesday	Thursday	Friday
			Dance PE	Stay and Play after drop off. Homework projects due Christmas Fair

Christmas Fair - Friday 4<sup>th</sup> December from 3pm
