CBC Night Planning Meeting

We mentioned last week that in order for the CBC evening to take place again this summer we need volunteers to lead and organise the party. We have set up a **CBC planning meeting at 9am on Tuesday 24th January**. Please come along if you want to find out more about the event and if you would like to take a leading role in making it happen. If you cannot make the meeting but would still like to get involved, please let us know.

Royal Academy Young Artists Summer Show

Calling all budding EP artists, dust off your aprons and start creating! We have registered EP with the RA Young Artists' Exhibition. This competition is for ages 4 - 19, with winners showing their work in the online gallery and a few lucky children exhibiting at The Royal Academy itself.

The artwork can be made using any medium. It can be a painting, sculpture, photograph, installation, video, drawing or a combination. Each child can submit up to three artworks - email Sophie with your submission along with a short description including title, size, and a little text about the artwork and why you made it. All of the artwork is then judged by a panel of artists and art professionals. Do take care when photographing your work and follow the guidelines which can be found on the website. For more information visit <https://youngartists.royalacademy.org.uk/>

Email Sophie@eleanorpalmer.camden.sch.uk your work ahead of the deadline **Friday 24th March**
