Year 5 & 6 athletics squad compete on Hampstead Heath. 9:30-3:30pm with pick up at EP.
3:30pm Gym Club for Years 1-6

Summer Concert

Next week children from Year 1, 2 and 5 will get the opportunity (Wed or Thurs) to perform their Summer Concert piece in their class music lesson. Please can children come ready with instruments or the web link needed for the backing track for their performance. Exact timings of these music lessons will be detailed in the class newsletters tomorrow.

Safeguarding reminder

If children need to be taken out of school for appointments, please remember to sign them in or out in the office. In the unlikely event of any emergency, this provides an important written record between registration times as to whether children are in or out of school.

Parent led Basketball Club

Parents Lisa and Leila kindly run Junior Girls' Basketball Club on Wednesdays from 8am. Can anyone else volunteer to join them? No basketball expertise required and it is always run together with another parent. Let Lisa, Leila or the office know if you can help.

Well done and thank you

What a busy EP weekend we had!

Starting with **CBC Night** on Friday evening - a wonderful celebration of Black culture and a great opportunity to come together to share food, music, join in activities and to fundraise. Do have a look at the pictures on the website, they give you a real sense of the night!

These events take a lot of hard work and planning so a **huge thank you and congratulations to a core team of Joy, Sei-Kee, Nanouche, Andrea, Leila, Chasney, Eburn, Francis, Adwoa, Aoife, Maya, Angela, Nat and Cleo**. And thanks to all the helping hands who baked, BBQ'd, brought dishes and drinks to share, helped on stalls and offered support. A special mention to those on stalls in the chilly playground!

Onto Sunday when the sun finally came out for **Run Kids Run** in Kings Cross. 121 of our children ran the 1km or 2km race, and the adults who joined will know, it's harder than it looks!

The website has some lovely photos of the race itself and some proud post-run medal wearers.

An extra well done to the children who not only ran, but who reached out to businesses for their support. Sofia in Year 1 wrote to a company who sponsored every participating child £1. Theo in Year 4 wrote persuasive letters to local businesses. Scarlett in Year 5 ran a marathon across 5 days culminating in the Run Kids Run event. Daisy and Suri ran and cycled alongside her to complete the marathon too - just amazing!

Sponsorship is still coming through and the **current total is £7752**. Run Kids Run will arrange corporate sponsorship to match our totals, so the

higher we can bring this total the more 'free funding' we get! **Please share the photos of the race and follow up on any sponsorship this weekend** so that we can pass on our totals. Reminder of the QR code on the front of this newsletter.

Please share thanks from the whole EP community to everyone who has sponsored the race.

Thank you to Thomas in Year 2 for this week's border design.

Finally, well done to our Year 5 class who performed in their Strings Concert this week.

All of these events remind us of just how special our school is and of our EP values.

With best wishes,
Sally Hill and Natalie Stevenson
