

HOME SCHOOL AGREEMENT

We the adults responsible for children at home and at school, want Eleanor Palmer Primary School to provide a safe, supportive and stimulating learning environment in which each child is treated as an individual and the needs of all are considered.

We will encourage children to work hard, to behave appropriately, and to take pride and pleasure in their own and others' achievements.

This agreement details the positive contributions we will both make to ensure a happy and successful time at Eleanor Palmer!

We look forward to working together on a basis of mutual respect to create confident, successful and enthusiastic learners.
