

Eleanor Palmer is proud to be an active school that provides an inclusive P.E. curriculum as well as a range of extra-curricular activities to engage and stretch all children. Children look forward to their P.E. lessons, where challenge, praise and success are key, and P.E. has a high status within our school community.

For the academic year 2023-2024 we estimate we will receive a Sports Premium allocation of £17,795.

This funding will be spent in its entirety on PE and sports related provision in the school.
