Monday 2nd February

8am Early morning football for Key Stage 1. Don't be late!

We welcome a team from national organisation 'Challenge Partners' into school for 3 days to inspect our school. This is an annual event for us, by choice, rather than waiting for a visit from OfSTED! Regular external feedback and objective judgement is very useful.
Sewing Club for Years 5 and 6.

Tuesday 3rd

8am Early morning football for Key Stage. Don't be late!

Football matches - 3 big ones tonight at 4.20, 5 and 5.40. Both teams are doing incredibly well! Supporters welcome - at Richard Cobden School and back to EP at 6.15.

Wednesday 4th

Art Club, this term for Year 5.

After school - Netball friendlies for a Year 5 and 6 squad against Brookfield.

Thursday 5th

8am Early Morning Football with Coach Martin for Year 3.

We are hosting the 3rd Annual Camden Primary Maths Challenge, as defending champions!
Good luck to our Year 6 team.

Code Club and Latin Club.

Family BINGO. It starts at 6.30pm and we are usually done by 8pm. Entrance is £3 which buys you 9 consecutive games of BINGO. Snacks, drinks and very special 'BINGO blobber' pens will also be on sale. This is a really fun family event for everyone. Who can forget Evelyn Teague winning two rounds in 2013 including the £30 bonus round! What is the probability of that from a crowd of well over 100?

Friday 6th

8am Girls' Ball Skills Club with Coach Martin. This club is open to all girls, even if you did it last term!

Year 1 have a visit from the Petrie Museum, sharing Egyptian artefacts.

I will be at Buckingham Palace today, collecting my OBE from the Queen!

Year 5 Cake Sale.

Thank you

To Saffiya Esposito in Reception for this week's border design. More border designs needed please!

A huge thank you to parent Mark Drayton, who has helped us set up and run our Code Club, one of our most popular and over-subscribed clubs! Work commitments mean that he can no longer take time out to support Craig Cairns. This is a great opportunity for another parent to support us! Is there anyone out there- with technical know-how - who could help run the club, full of keen young coders and programmers?? After school for an hour every Thursday? It is a great way to get involved. Please let Craig, the office or me know!

Congratulations!

Our very own Luc in Year 6 now captains the Camden district team as well as three other teams, including EP. Last week, he not only scored 3 goals for Camden but set up another couple in a 9-0 win over Tower Hamlets. It's wonderful that not only his footballing talents but also his leadership skills are so widely acknowledged.

Sainsburys vouchers

Sainsburys are issuing their Active Kids vouchers once again. Please collect as many as you can and drop them into the box in the office. We use them to buy playground and sports equipment.

Spare swimsuits

We have very few spare swimming costumes for junior girls. If you have any to donate please drop them into the office. Thank you!

Early morning football

Firstly we are short of parents to run the traditional early morning football on Tuesdays, for Years 3-6. Without more back up it is unlikely to continue...could you join the crew?

Secondly, on days when it is raining/icy, please look out for a text soon after 7.30am which will let you know if football is cancelled.
