Stuck with this week's homework?

Need to get online, but can't?

Does phonics seem like gobbledygook to you?

Not quite sure how to use Interactive Resources maths games?

If you need tips, ideas, games, resources, reading strategies, inspiration, then the HELP drop-in surgery is for you. Just come along to the Junior Resource area straight after school on Tuesdays from 3.30-4.30. The lovely Angela and a teacher will be on hand. All children must be accompanied by a parent/guardian. *This is key so that we can help you help your child.*

Parent Gym course - dates confirmed. Don't miss out!

We are really pleased to have secured a repeat 5 week course with Parent Gym who ran a successful course here last Spring. We will hold the sessions in school after drop off on Tuesday mornings. There is a taster session beginning Tuesday 28th April from 9- 9.45am.

There are 5 further sessions; 5th May, 12th May, 19th May, 2nd June, 16th June, all Tuesdays from 9am to 11am.

These workshops are aimed at all parents (mums and dads!) and have been proven to increase parents' skills and confidence and so improve the behaviour and wellbeing of their children. If you are interested in taking part in these sessions, please let Tania know.

Sessions are lively and interactive and focus on core parenting issues such as rules; health; chat; resolving arguments and learning, with plenty of time for parents to raise concerns. The course is FREE.

This is the website for parent gym- do have a look. www.parentgym.com/home
