Musical successes

Congratulations to Years 3 and 5 who played in a wonderful Strings Concert today. Well done too to our great choir for their wonderful performance at The Camden Choir Festival!

For even more musical opportunities, Camden Music are auditioning for 30 children to join their New Voices Choir! Auditions are open to children in Years 4- 6 and take place on Tuesday 28th, Thursday 30th and Friday 31st March after school at the Crowndale Centre NW1 IBD. To book an audition slot please contact Sheena at Camden Music sheena.masson@camden.gov.uk. It would be great to see some of our talented singers go for this

Early morning football means early!

Please could those attending early morning clubs arrive on time! Clubs start at 8am. If you come at 8.30, it disrupts the established activity/teams. Thank you.

Young Engineer Awards

We are very excited to hear snippets of designs underway. Remember that staff are here to help and advise. Your pitch letter and sketch of your proposal must be in school by next Wednesday 22nd March and we will then pack up and send all entries on your behalf.

Financial Year End and outstanding payments.

We need to reconcile school finances for financial year end at the end of March. This means all bank deposits and online payment processing must be completed next week so that we can complete our accounting and reconciliation in the last week of term. Please support us in this by settling all outstanding payments for school lunches, Breakfast Club, class trips and Year 6 strings tuition by next week.

Looking ahead to the very last week of term

Monday 27th - Dan Egan who is based in Sierra Leone at our partner school, is coming to visit to talk to the children about how we can help.

Years 4 (Monday) and 5 (Wednesday) have their Grand Times Table Test with Miss Frood. After all the Spring Slam practice we have high hopes!

Thursday 30th - Year 4 perform their show.

Friday 31st The 15th Eleanor Palmer Great Egg Race.

Term finishes on Friday 31st at 3.30pm.

How are those Eggmobiles coming along? What ingenious and new ideas will we see this year?

With best wishes
