Thank you!

To Zahra Asari in Year 2 for this week's border design and for being the most amazingly sunny, resilient child with a broken leg we've ever known!

Calling any engineers!

If you - or a contact - could come and talk about your work in engineering to inspire the children to enter the Young Engineer Award, please let us know!

Slime

We'd prefer it if pots of 'slime' didn't come in. Apart from the distraction, they're a great breeding ground for spreading germs...sticky and passed from child to child! Thank you!

World Book Day - Thursday 1<sup>st</sup> March

As part of our World Book Day celebrations we will be hosting a book swap. Please start bringing in any unwanted children's books and leave in the boxes in the entrance.

Challenge Partners Review

Our report has been published and is on the home page of our website. Please read it! We are very pleased that the hard work, energy and enthusiasm of our pupils and staff has been captured. It affirms what we do well and gives us good feedback on what we must do to further improve.

Inspirational and diverse role models

We have taken this as our assembly theme this term inspired by our visit from Diversity Role Models. This week we talked about the amazing Moin Younis and his enduring optimism and generosity in the face of his incredibly rare and life limiting condition. Children are always keen to know more after assembly, so if you google Moin Younis you can find out more, and maybe donate to his crowd funding for new treatment.

With best wishes,

Kate Frood and staff
