

Congratulations!

We are so very proud that our boys' football team won the North Camden League - top of 32 schools! What's more, in the play-offs between the top 8 schools, they made the final and only lost by a golden goal in extra time, to New End. This is our best performance ever and huge respect goes to team members Jarlath, Che, Albert, Alex, Kaylen, Asia, Toby and Rafi. Thanks to parent supporters too who have made a huge difference. So many others coaches commented on our team's determination and hard work and this is in large part due to their leadership - the wonder that is our very own Coach Martin!

Young Engineers Project

On Friday 9th Infants and Juniors will have visits from engineers talking about their careers and how they combine maths, science and art to create and problem solve. We hope that these will provide inspiration to the children to enter the Young Engineers Award. To enter the children will be asked to write a pitch letter and sketch out a design for something that they think will solve a problem, big or small. We had an amazing number of entries last year with 8 making the final exhibition! Look out for more details coming home next week on how to enter.

PTA News

Thank you to parent Vesna Cudic who has kindly arranged the alcohol and events licenses for our wonderful school events to date. The PTA are now looking for a new parent volunteer to take the job of applying for licenses for forthcoming events. This should take as little as 1- 2 hours over the year and there are clear handover notes and example applications for you to use for a simple online process via Camden council's website. Please contact hannahkogilvie@gmail.com or the office if you help with this, before the end of March 2018.

International Evening 6.30-8.30pm Wednesday 7th March

Only a week to our International Evening - another chance for everyone at EP to come together - and lots of preparations are underway. As always we need helpers to make the party happen!

SIGN UP IS LOW AT PRESENT AND WE ARE UNSURE IF WE CAN PROCEED!

Please sign up on the noticeboard in the entrance if you can help with face painting, selling bracelets or serving on the food counter. Help is also needed setting up and tidying at the end, if lots of people muck in the quicker and easier this is. We hope to have the usual fantastic spread of food, so please sign up too if you can bring along a dish. We'd love those who can, to dress in their national costume or simply to borrow something international!

In addition to the food and activities we will have music and dancing led by B-Better dance company. All proceeds will be going to the charity Street Child. Please do sign up to lend a hand!

With best wishes,

Kate Frood and staff
