ELEANOR PALMER PRIMARY SCHOOL WEEKLY NEWSLETTER
SUMMER TERM 2018 NUMBER 6
www.eleanorpalmer.camden.sch.uk

Thursday 22nd May 2018

Dear Families,

TONIGHT from 5.30

Tonight's Science Evening begins at 5:30 in the hall where Dan Plane, from the Royal Institution of Great Britain, will lead a family show entitled 'Bringing Science to Life'. Please join us in the hall for what promises to be an explosive show!

Then, at about 6.30, giving teachers and their helpers in class to exit first, you are all invited to look around the whole school and find out more about the science that has been happening in class. In addition, our new Lab and Science playground is open so everyone can visit and see our amazing new resource. The evening will run until about 7:30pm.

TOMORROW

Science Cake Sale. Everyone is invited to make cake or biscuits with a STEAM theme!

Jeremy King is back in school with his amazing STIXX machine building invertebrates with Year 2 and playground structures with Year 1.

And then, as our amazing STEAM WEEK comes to an end, we move into half term. Please remember the extra school closure on Monday 4th June.

Events in school in the week after half term:

Monday 4th

SCHOOL CLOSED FOR OUR 4th INSET Day. Remember that the 5th and final closure day is the following Monday 11th June.

Tuesday 5th

8am Early morning football for Years 3 to 6. Please arrive on time!

8am Running Club with Coach Martin.

Year 6 are visiting the Natural History Museum.

Year 2 go pond dipping on The Heath, but return for lunch in school.

Thursday 7th

8am Year 5 and 6 Athletics Club.

Year 1 are going to the Zoo - and therefore Year 2 have double swimming!

6.30pm A chance for Year 4 parents to find out more about the imminent camping adventure in Epping Forest.

Friday 8th

8am Girls only Multi-sports Club.

Cake Sale hosted by Year 2.

Love you EP

year 2

Thank you!

To Zahra Asari in Year 2 for this week's border design.

To staff who have worked so hard to bring this STEAM week together. From Danny and the Ansley crew who have had an awful lot of extra cleaning due to the many creations this week, to Tania and Vicky for endlessly ordering the oddest things, to teachers who have invented engaging and unique class work to inspire. Our Lab is only as good as the people who then use it!

Congratulations!

We are very proud of our winners in this year's national UKMT Maths Challenge. Remember that this is aimed at Years 7-8. Well done to everyone who gave it a try!
Bronze: Luz (Y3), Assia and Kobi (Y5), Mia, Ben, Hannah, Abigail (Y6)
Silver: Jack and Lily-Grace (Y5) Beth (Y6)

Whilst we await news if any of our entries have been commended or selected for the final exhibition in the Young Engineer competition, we have been given advance notice that we have a trophy winner! Mateen Macdonald's invention, of an 'elephant jug', safe for blind people, has been awarded a top trophy for Year 3. This is a fantastic achievement! Huge congratulations to Mateen.

Summer Fair news!

ESTATE AGENT BOARDS - Please get in touch if you can have an estate agent board advertising the festival - the deadline is **TOMORROW Friday 25 May**. Each board is worth at least £20 to the school and we need another 20 families to sign up to maximise this sponsorship opportunity.

RAFFLE TICKETS - Attached is a book of tickets for the raffle that will be drawn at the Summer Festival. Prizes include **£100 CASH**, **£50 CASH** and vouchers donated by local businesses. There'll also be prizes of £5 for the children that sell the winning tickets!

For any tickets your child is able to sell, **ON THE FRONT OF EACH TICKET STUB** please write the name and phone number of the person buying the ticket. **ON THE BACK OF EACH TICKET STUB**, please write your child's name so they get their £5 prize if the ticket is a winning one!

Please return any unsold tickets, ticket stubs and money for sold tickets to the office by Friday 22 June. You can also get extra tickets from the office if you need them.

COLLECTION BOXES - boxes will be going out immediately after half term for books, toys (including soft toys for the teddy tombola) clothes and bric-à-brac.

Enjoy the Spring break and let's hope this weather lasts.

With best wishes,

Kate Frood and staff
