Christmas trees

Reminder to order your Christmas tree by Wednesday 27th November. Every tree purchased raises funds for the school and previous experience is that the trees are fantastic quality and great value. Advance payment online or through the office please. Trees will be ready for collection at the Fair on Friday 6th December.

EP App

Reminder to sign up for the EP App. We're increasingly sending out messages via app notifications. The app also contains lots of useful information and the school calendar for easy reference. The texting service, is, expensive for the school, so the app is now our preferred way to message reminders. Google Piota and then download the Piota app. Once downloaded search in Piota for Eleanor Palmer to find our app.

Advance notice - Shed Talk on early reading!

On Friday 6th December, at 9.30, after Stay and Play at 9am, early years parents are invited to the Shed to learn more about how we teach reading, the different elements that are key to learning to read and how to best support at home. The session will be led by our own Helen Holgate and Sara Stokes.

Playcentre

We have spaces at our after school playcentre. Although it is run by a company called P3 the staff are our very own Zoe and Taynee. Much of the session is relaxed free choice - I always think it looks like one big sitting room with Lego creations, drawing and reading - but there are specific extras each day. You don't have to be a working parent to use it; your child might just want a super extra-long playdate with a friend at school! There's an end of school day snack and full use of our fantastic playground too, always supervised.
