Dear Families,

Well done to all the staff and children. Despite a wet and windy week, our visiting team of school reviewers loved what we are doing and gave us a very clean bill of health! Nursery 2020

In February we will be making first offers for children to join our Nursery in September 2020. Many pre-school nurseries now require a longer notice period and in making our EP offers earlier than usual, we hope to help families with their planning and prevent any late notice penalties from private Nurseries. If you have a sibling due to start Nursery in September, please complete a Nursery application form available on the EP App under forms, on the website or in hard copy from the office. Please submit your application by 31st January.

Royal Albert Hall Concert - at 7pm on Tuesday March 10th

Year 6 parents: please look out for the very important letter sent home THIS WEEK about securing tickets to see your child perform in this amazing Camden schools' concert!

Thursday 30th January @ 6.30pm EP BINGO Night!

The PTA's first 2020 fundraiser is taking place on Thursday 30 January 2019, This is an extremely popular event and everyone is welcome (whether or not you have played Bingo before!).

If you can volunteer to serve food or drinks on the night, please sign up on the sheets going up next week. It's a great way to meet other parents and catch up with other volunteers.

It starts at 6.30pm and we are usually done by 8pm. Entrance is £3 which buys you 9 consecutive games of BINGO. Food (delicious hot dogs and waffles) and drinks will be on sale. Please bring plenty of change. Very special 'BINGO blobbers' pens will also be on sale too! This is a really fun family event for everyone. Come and join in the fun! Cash prizes for every round!!

Playcentre survey

A reminder that we'd be grateful if you'd complete the survey we sent via our App. There is a thread of questions for those parents who DON'T use the service as well as those who do. Thank you.

This week in assemblies we revised the reasons and the legislation behind the United Nation's Rights of the Child. We started listening to imaginings of the earliest prehistoric music. Not very tuneful! See if your child can remember what the 'flutes' were made from!

With best wishes,
Kate Frod and staff
