Break up for half term

Maths Packs for Reception children

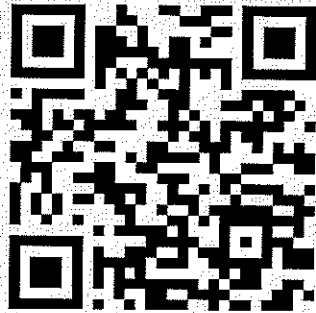

A reminder that we have our Maths Packs sessions for Reception parents - either tomorrow **Friday 4th February 9-10am** or **Thursday 10th February 5-6pm**. During the Shed Talk session you will learn how to use the resources in the pack to play maths games at home. We are firm believers that children can learn to love number and develop great number sense through regularly playing maths games. We ask for a voluntary contribution toward the cost of a pack to take home, as each pack costs £10 to put together.

Newsletter survey

We are reviewing how we communicate with you via the two weekly newsletters that are sent home each week. These take a lot of time and care, so we want them to be useful for families to keep you informed of news, forthcoming events and dates, and to support children's learning and experience at EP. Please could you help us by completing this anonymous survey? Thank you.

- Book using this link <https://forms.gle/mSQxfzARhegpXBY88>
- Email Prorevolution.development@gmail.com for more details

Club EP

Club EP is increasingly popular, especially on Thursdays. A reminder to please book ahead using the Forms page on the EP Piota app before 12pm. For last minute bookings on the day, please call and check we have spaces before booking. Please also drop us an email to let us know if you no longer want your booking, as that then frees up a space for another child.

Thank you

To Flo and Phoebe in Year 4 for this week's border design.

To all the parents and carers attending Parents' Evening today and yesterday. These mid-year meetings are vital in reviewing your children's progress and setting targets for the rest of the year. If you were unable to attend for any reason please contact your child's class teacher to arrange an alternative meeting.

With best wishes,

Sally Hill and Natalie Stevenson.
