Photos at trips and events

As our exciting trip programme gets underway in many classes, a reminder that if you accompany a trip do not take photos and share via class WhatsApp groups or on social media. School staff always take photos on these trips to add to the website for families who have given consent.

End of the day

To avoid the crush outside of the main Junior entrance and to ensure the safe handing over of children at the end of the day, we are asking Year 3 parents and carers to collect their child from the Year 6 entrance which is closer to the treehouse structure. Thank you for your support with this as it really makes a difference at pick-up time.

Newsletter Borders

You will notice the absence of borders on this newsletter, this is because we have none to add! We would love to receive some new creations from your wonderfully artistic children. Children can ask in the office for a blank border so that they can draw a design with a black pen. Each week we pick a new design and credit the artist.

With best wishes,

Sally Hill and Natalie Stevenson
