KS2 Classteacher for September 2023

Main scale (upper pay scale considered)

We are looking for an experienced, excellent teacher to join our team, initially on a one year contract covering maternity leave. We are an outstanding one form entry primary school which, as a former Teaching School, continues to take the lead in developing teaching and learning with colleagues in Camden and further afield. This is a rare opportunity for an experienced teacher to join what is a happy and stable team. We are looking for someone who shares our passion and energy for primary education, and who is dedicated to providing the best possible learning for every child. We are looking for someone who welcomes the chance to join a school with a well established, enriched and carefully designed curriculum, and who is also eager to continue to develop and learn.

Our ideal candidate will have an excellent track-record of working with children with SEND, particularly SEMH needs and autism, enabling all children to excel within the classroom. They will have experience of working alongside exceptional LSAs as a class team.

For the right candidate, there is also the opportunity to take on subject leadership of core and/or humanities subjects.

At Eleanor Palmer, we have:

- a socially and ethnically diverse inclusive school community;
- children who are excited to learn, who are informed about the world, and who feel safe and ready to progress;
- a well-designed and well-cared for single storey building - our most recent addition is a beautiful architect-designed science lab;
- a financial commitment to enrichment, including specialist art, music and PE teachers, and a wide variety of trips and residentials, which deepens children's knowledge;
- a teaching culture characterised by collaboration, innovation, creativity and continuous learning;
- a strong whole school community with lots of traditions and special events;

- excellent partnerships with Camden Learning and national networks;
- an exciting model – a first for Camden primaries – of co-headteachers; and
- very good public transport links, moments away – Tufnell Park Station on the Northern Line and 15 minute walk to Thameslink and Overground stations.

To request an application pack, for an informal discussion about the post and/or to arrange a visit (**which we strongly encourage**), please telephone or e-mail Vicky Green at the school as above. Our website is excellent and well worth a visit too!

Closing date: 12 noon Friday 28 April

Interview date: to be confirmed

Shortlisted candidates will be notified by telephone. No agencies please.
